Madurai

Aug 2020 – Apr 2023

### INTERNSHIP

---

#### MERN FULL STACK INTERN | Pumo Technovation | Coimbatore (April 2025 – Present)

- Developed and optimized frontend components using **React.js**.
- Improved application performance with **lazy loading** and efficient **state management**.
- Optimized rendering speed using **React Hooks** and memorization techniques.
- Practiced debugging and **resolving UI/UX** issues to enhance usability and engagement.

### SKILLS

---

FRONTEND : **HTML5, CSS3, JavaScript, React.js, Bootstrap, Tailwind CSS.**

BACKEND : **NODE.JS.**

DATABASE : **MANGODB.**

TOOLS : **GitHub, Netlify, VS code.**

### PROJECTS

---

#### Real Estate Website ( React.js ) | (June 2025 – August 2025)

- Designed a fully responsive **user interface** with interactive elements and **smooth UX transitions** using modern web design principles.
- Created a clean and modern homepage with a **hero carousel**, gallery sections, team listings, and contact form.
- The UI is visually structured — clear information sections, **easy navigation**, and well-organized project showcase.

#### Portfolio Website ( React.js ) | (Sep 2025 – Oct 2025)

- Built a dynamic SPA portfolio using Vite-React and **React Router** for smooth navigation between sections.
- Smooth scroll, active link highlighting, scroll triggered animations** or transitions, and form input handling.
- Optimized UI and performance using modern React techniques and clean, maintainable CSS.

### PROFESSIONAL SUMMARY

---

- Strong problem-solving** and analytical skills.
- Excellent communication and **teamwork abilities**.
- Passion for continuous learning and staying updated with **modern web technologies**.
